

END OF A LONG LIFE.

Sunday in Muscatine occurred the death of Philip Ryan, father of Rev. James P. Ryan of this city. The News states that up to a year ago Mr. Ryan was enjoying fair health and strength and was frequently seen on our streets and in regular attendance at church; but for the past eleven months he has been confined to the house with a serious ailment, and with his weight of years it was known that the end was inevitable and near.

Deceased was a grand old man. He had filled his long life with honest industry, kept faith with his native land in all that he could do to promote her welfare, loved his adopted country and looked upon his citizenship as an honor to be kept untarnished; was true to friendship, a faithful husband, a loving parent, a devoted Christian. His venerable wife and five sons survive. They are: Dennis, of Seventy-six; Thomas, of Wilton; Peter and Rev. James Ryan, of Davenport; and Philip J., of Muscatine.

The funeral is appointed to take place from St. Mathias church in Muscatine this morning at 9 a. m.
