

Phillip Bingle and family of near  
Hart spent Sunday with their daughter  
Mrs. Chas. Rogers. We sympathize  
with Mr. and Mrs. B in this sad hour.  
The death of their 14 year old daughter  
Julia having occurred on the 20th inst.  
after a protracted illness. She was a  
lovely girl, just budding into woman-  
hood. She leaves fond parents, several  
brothers and sisters and a host of  
friends to mourn her untimely demise.  
"It is expected that the sun may set at  
eve, the flowers fade in September and  
the leaves fall in autumn; but that the  
sun should set at noon, the flowers fade  
in April and the leaves fall in spring—  
this is sad."
