JOHNSON PAVING GANG SETS NEW STATE RECORDS

Pours 1,337 Feet of Concrete in Day and Averages 963 Feet Daily.

Iowa City, Ia., Aug. 10.—Records for a single day's work and for a daily average higher than those of any one of 20 other paving crews in the state were made by the Harrison Construction company of Kansas City, Mo., on the highway between here and Cedar Rapids.

A record of 1,337 lineal feet of concrete poured in a day was set July 27, and the average completion mark of 963 feet was made, F. K. Preston, resident engineer of the company, yesterday announced the figures.

Work on the highway north of Iowa City is expected to be completed to the Linn county line by Sept. 1 if favorable weather prevails, and it is thought that the road may be open to traffic by Oct. 1, tho the contract does not call for completion until Nov. 1.

An interesting British theatrical anniversary—that of the stage-set—has just been celebrated. It is now 150 years since "set scenes" were first employed in London.

DR. M'PHEE, TORONTO COLLEGE, SPEAKS AT IOWA CITY KIWANIS

Special to The Democrat

Iowa City, Ia., Aug. 10.—Dr. R. D. McPhee, speaking before the Kiwanis club yesterday, told his audience that Canada has much the same world status as the United States, much the same financial problems, and much the same social ills.

Great Britain plays no part in the formulation of the policies of the dominion, Dr. McPhee, who is a member of the faculty of the University of Toronto and is teaching during the summer at the University of Iowa, asserts.

"Economically Canada is not far behind the United States in its metamorphosis from a nation of farmers into a nation of city dwellers," he said, the population of the rural districts having dropped from 65 per cent of the whole to 45 per cent in recent years.

Boys Arrested on Roof.

Police Judge Paul C. Custer yesterday took under advisement the cases of Frances Hillick and John Murphy, both under 16, arrested Monday night on the roof of a building next to the Englert theatre.

The boys said they were there merely to see a show without paying for it. They were arrested under the curfew ordinance forbidding the streets to all children after 10 o'clock at night.

Marriage Licenses.

Harold Flinders and Frances Jenette Shields of Delwein were granted a marriage license at the clerk's office here Monday, as were James Twaits of Marion and Miss Gertrude Ford of Cedar Rapids, Tuesday.

The woman who has ceased to weep is no longer young.

Low Score Battle Is Waged on Links at Blackhawk Hills

Miss Florence Appelquist, daughter of Mr. and Mrs. E. A. Appelquist, 907 Thirtieth street, Rock Island, set a new low score record at the Blackhawk Hills Country club golf course, Rock Island, yesterday. She shot a 90.

But—

A short time later Miss Velma Driffill, daughter of Mr. and Mrs. B. L. Driffill, 2605 Seventeenth avenue, Rock Island, shattered the low mark established by Miss Appelquist by shooting an 88.

Quite a cut!
