

## Notes of Metz Public Schools

The board of education met Friday night. Petitions asking the board to reconsider its actions at a former meeting and employ Misses Doris Runyan and Blanche Davis as teachers of the Metz grade school were presented. No action was taken on the petition, however, and the teachers chosen at a former meeting will stand. The board spoke highly of these two ladies as teachers, but deemed it wise at this time to employ only those who lived in this locality and paid taxes here. It is said there is one place in the district yet to be filled. John Henry was employed as janitor of the Metz school building at a salary of \$45.00 per month.
