Mammy/ which you will see but least you should  
think I nelgeet you drop you a line in my letter  
to them. I inform them my journey and arrival at  
home and my satisfaction in moving. I expect  
from what I have seen and heard this is a much  
better country to make money in than Kentucky.  
I wish you to write to us every opportunity.  
The family is all well pleased. They and Thomas  
desires to be remembered to you and Betsy and  
all inquiring friends.

Farewell etc.
