

rest Salters.

Mrs. Edna Orear, wife of Dick Orear, passed away Saturday, Nov. 25 at the Butler hospital where she had been a patient for only a short time. Mrs. Orear had been in failing health for several years yet death came as a shock to her friends and relatives. Mr. and Mrs. Orear have lived in the Foster vicinity a big part of their life. They have made their home in Butler for the past several years. No arrangements have yet been made to my knowledge at this time.
