 Death: “On the 5th inst. Robert Brannock, Sr. one of the oldest and most respectable citizens of this county”
 [The use of “Sr” in his name, has confused some persons. In old records “Sr” and “Jr” did not always mean father - son. but meant “older - younger”. Robert (Sr) had no son Robert unless he died in infancy. But Robert did have at least 3 grandsons named Robert who were born before 1853. (Sons of William, Darius, Solomon)]
